"... I also found this from a letter Anna Elisabeth have sent to Josefina 26 mars 1947. She writes in Swedish about a photo she has enclosed. It is from 10 November 1946, and she mentions that it was her 69-th birthday the day before the picture was taken, and that Anders had his birthday the 5th February 1947. Later in the letter she writes that they have heard that Martins wife Olivia had died the summer before (it must have been 1946.)"
